Required)**

Spring

*****Volunteers needed*****

We are looking for volunteers to run and facilitate the Zoom meetings for the Board Meetings which are held twice a month. We have limited staff and funding to manage the Zoom meetings. If you are interested, please contact Jackie McClintock at jackie.mcclintock@coloradocentre.org.

****Meter upgrading in progress****

We are in the process of upgrading all the water meters in the District. This will require entry in the home for approximately 15 minutes and our staff does wear protective coverings to ensure your safety. Please make sure we have updated contact information including phone number and email address to ensure a smooth transition to the new meters.

****Soccer field update****

We would appreciate everyone's cooperation to remain off the soccer field to allow the new seedlings of grass to become established. Having residents/pets stepping on the freshly planted grass seed will hurt the growth and will not allow it to become the lush green grass we all can enjoy once established.
