Winter Sewer calculation period

The sewer calculation period is from December 1st, 2021 through January 31st, 2022. During this time try to conserve as much water as possible to help lower your sewer average for the next year. Monitor your water usage at: eyeonwater.com/signup.

A few safety tips for the holidays:

- Make sure to have smoke detectors and carbon monoxide alarms installed
- Whenever you are cooking stay in the kitchen if the stove top is on
- Use turkey fryers outside; never inside
- Water your Christmas tree daily. A dry Christmas tree is easier to burn
