**Graffiti**

Colorado Centre is aware of graffiti at the parks. Our field personnel will clean and cover the graffiti as the weather warms up to allow the paint to properly cover the affected areas. There is up to a \$1,000 reward for reporting and providing evidence that leads to the conviction of a person or entity that breaks, damages, steals, defaces, and generally acts against district assets and property. We would like to keep the district clean and safe and appreciate everyone's awareness and consideration in doing the same.
