HAVING TROUBLE MAKING ONLINE PAYMENTS?

CCMD's payment portal was recently upgraded to add another layer of security. This has caused some issues with IOS users- the current work-around is to use Google Chrome as your web browser, or to utilize a non-Apple device when making payment. Clearing your browsing history/cookies/cache will help resolve any other online payment issues. As always, feel free to pay with cash, check, or money order in office!

President

Floyd Edwards
