SHUT OFF DAY – Aug 1st, 2022

\$30.00 Disconnect fee and \$30.00 Reconnect fee

Habitual Offender Additional \$100.00 Deposit Required

Mosquitoes need standing water to lay their eggs in. It doesn't take much- even a cupped leaf can hold enough water. OVERGROWN VEGETATION is one of the sneakiest mosquito breeding grounds. Other common areas around the home that gather water:

GUTTERS, BIRDBATHS, PLANTER DRIP TRAYS, TIRES, TOYS, BUCKETS, and GARDEN EQUIPMENT. CCMD does place mosquito dunks in any visible standing water areas around the common areas of the district but asks the residents to do their part in eliminating standing water around their homes.

FIRE PREVENTION: SAFETY– INSIDE AND OUTSIDE THE HOME

CCMD had three house fires in the past year.

Common causes and risk factors involving house fires (often preventable):

| INSIDE | OUTSIDE |
|---|--------------------------------------|
| COOKING- a recipe for disaster | |
| unattended food on the stove | leaky propane grills |
| overheated cooking oils/grease | grill too close to structures |
| improperly maintained appliances | improper disposal of charcoal ash |
| OPEN FLAMES/SPARK-don't get burned by the burn | |
| candles | gas or wood fire pits |
| sooty fireplaces/chimney | welding in windy/dry conditions |
| unattended matches/lighters | FIREWORKS- illegal |
| HEATING APPLIANCES- when firey hot is too warm | |
| operating space heaters near fabrics | kerosene deck heaters |
| HOLIDAY DÉCOR- don't let your party go up in smoke | |
| under-watered Christmas trees | weathered patio lighting |
| candles (worth mentioning twice) | tiki torches |
| ELECTRICAL SYSTEMS-(don't) ignite the nite | |
| DIY home wiring projects | tree branches near power supply line |
| circuit overload | lightning |
| SMOKING-not just a cancer risk | |
| smoking in bed/on the couch | extinguishing in potting soil |
| CHEMICAL STORAGE- in a shed is most ideal | |
| oily rags- do not pile up, let air dry completely then wash | |
| gasoline- proper container with room for vapor expansion | |
| chemical compatibility – opposites do not attract! | |

President
Jackie McClintock
(719) 231-0335

Vice President
Joan Lucia-Treese
(719) 660-6022

Treasurer
Cynthia Dixon
