CALLING ALL CCMD RESIDENT SLEUTHS!!!

Graffiti has again become a big issue in CCMD parks and on CCMD property. The District considers any damage or destruction of its facilities or other property caused by vandalism a very serious matter. Graffiti is a crime. CCMD has historically, and will seek full prosecution of each offender, including minors. The District reserves the right to collect restitution for damages and impose and collect a fine against any CCMD resident whose minor child is involved in vandalism causing damage to District property, which may include filing a lien against the resident's property.

CCMD offers a \$1,000 reward to any resident who provides evidence which leads to a conviction, so check your home security cameras for useful footage!
