BREAKING NEWS!!!

We are excited to announce that our new CCMD Administration building will be completed April 2024

FIRE STATION NEWS: CSFD 25/CCMD1

*****Please be advised that there will be water and sewer utility work taking place at the intersection of Bradley Rd and Horizonview Dr starting the first week in April. Water will be disconnected for a working day which will only affect the Fire Station at 4770 Horizonview Dr. Please call (719) 390-7003 if you need additional information.****

Watering Season

As the warmer weather arrives, the watering season begins. More than 300 gallons can move through the meter in just 1 hour of watering. To help our residents conserve water and lower bills, CCMD offers a free metering APP: Eye on Water. Please take advantage of this wonderful resource!

Some Water Saving Tips

A few suggestions: Water your lawns in the morning or early evening, this will allow time for water to be absorbed. This will help prevent the growth of fungus and mold. Water lawns enough to soak in to help with root growth. Mulch around your trees and shrubs to help keep in moisture. Landscape with drought-resistant trees and plants.
