Board meeting

All District residents are welcome to attend our monthly board meetings. The October and November meetings will have Public Hearings for review of the preliminary 2025 Budget. Proposed rate changes will be discussed at these meetings. We look forward to seeing you on Wednesday October 16th, 2024 at 5:30PM.

Daylight savings time ends November 03, 2024

IT IS TIME TO WINTERIZE

Winter will be here before we know it! Be sure to unhook and drain your outdoor hoses after each use. Sprinkler systems will soon need to be turned off and drained for the winter season. It is a good idea to know the location of your main water shutoff so you can access it quickly in the event of an emergency. Keep your thermostat set to at least 60 degrees to prevent frozen pipes.

Lead and copper testing

Lead and copper testing will be conducted the week of Monday October 21, 2024. Bottles will be dropped off on Monday October 21, 2024 and picked up Tuesday October 22, 2024. We will be making phone calls to remind the residents that participate in this program. Please call (719) 400-7620 if you have any questions.
