Fire Station 25

C.C.M.D. Station 1

Open House

March 14th, 2025, 3pm-4pm

Come by and meet the staff that will be servicing our newly remodeled Fire Station.

Time to check our smoke alarms

Modern Smoke alarms are designed to function effectively for roughly 10 years, but smoke alarms 10 years old or older may need their batteries replaced or you may want to update at this time to maintain your household's safety. Smoke alarms are a crucial component of home safety, and ensuring they are functioning properly benefits everyone in our community.
