## Trash pickup

Regular trash service with Republic Services includes a 96 gallon container provided by them along with 8 additional kitchen (13 gallon) trash bags to be placed out each week. Trash should be placed on the curb by 7:00 am on Thursday unless it is an observed holiday week. They have until 7:00 pm to pick up the trash. Please contact Republic Service directly for bulk pick up, recycle service, or an additional container. This ensures that Republic Service can bill the resident directly for the additional charges.

## Hydrant flushing

Hydrant flushing will be completed the weeks of April 13<sup>th</sup> and April 20<sup>th</sup> between the hours of 8:30 am to 4:30 pm. To prevent staining of clothes, please try not to run laundry during these hours.

## Dog waste

Please ensure that all dog waste is picked up and placed in the trash. There have been several instances where dog waste is left and that is unsanitary for our neighborhood and could contaminate our water supply if near our wells. Bags are provided at the parks for your convenience.

## Motorized Vehicles

No Mechanized vehicles are permitted on or across open space areas, walking trails or service roads. Any person found to be in violation shall be subject to fines imposed by the District.
