Sewer Calculation

The sewer calculation period begins December 1st, 2026 through January 31st, 2027. The updated sewer rates based on the sewer calculation period will appear on the March 2027 water bill. Your water usage can be monitored at: https://eyeonwater.com/signup

Leaks during the sewer calculation period will not qualify for adjustments. To avoid higher sewer charges throughout the following year, minimize water use during this period.

Public hearing

A public hearing will be held on October 21st, 2026 and November 18th, 2026 at 5:30 pm at the Colorado Centre Administrative Building, 9686 Flagstone St, Colorado Springs, CO 80925 for the purpose of discussing the proposed budget for Fiscal year 2026 for the Colorado Centre Metropolitan District. This meeting is open to the public.

Dogs in the District

We have noticed an alarming number of unleased dogs in the District. It is important to always keep dogs on a leash. For your convenience there is a dog park named Barkway Park that is located southeast of the Water Plant. The District also provides dog poop bags to keep our neighborhood clean.
